AEM Services, LLC is a woman-owned small business who has found its passion and purpose in the construction industry. Our emphasis is general construction, with emphasis on concrete paving, maintenance and electrical services. AEM strives to deliver project outcomes with personal attention to our client's expected quality, schedule and budget. Our skilled team takes pride in guiding a project from conception to successful completion.

***Our Philosophy:** To partner with our client from the onset of the project by listening and understanding their needs, and to ensure that we have a clear vision for the project and its timelines. The entire AEM team understands the need of the client; this includes our collaboration with teaming partners and subcontractors where applicable. With this interactive and transparent approach, AEM is able to ensure clear communication and this results in quality workmanship and attention to detail for the life of the project.*
